

Environmental Policy Statement

Fabulous Coffee & Bar are committed to minimising the impact of its activities on the environment.

The key points of our strategy to achieve this are:

- To minimise waste by evaluating operations, ensuring they are as efficient as possible.
- To ensure any food waste is collected and redistributed by our chosen partners.
- To actively promote recycling both internally and amongst our customers and suppliers.
- To source and promote a product range that minimises the environmental impact of both production and distribution.
- To ensure that key employees are aware of this policy and trained in their environmental responsibilities.
- We will continue to improve our environmental performance, keeping abreast of new developments.

This policy will be regularly monitored to ensure the aims are achieved. It will be reviewed, and if necessary revised, in the light of legislative or organisational changes. More information can be found at fabulouscoffeandbarco.co.uk
